I've been in business since 1993, and I've stuck with Farmers for so long because I enjoy making my clients smarter about insurance. Whether it's auto, home, renters, business, or life<sup>1</sup> insurance, we have the common sense products for your insurance needs.At my agency, we are proud to be the oldest book of business in Owasso! Our office has been around for a long time, and the way we've managed to stay in business for all these years is by taking care of our clients and treating them right. I make myself available for all my clients, and take great pride in getting to know everyone personally. If I'm ever out of the office, we've also got a great team of staff who have been with me for many years. Together, we'll take care of you!When I'm not in the office, I enjoy spending time with my family! I have a wife, three kids, and three dogs. We love spending time with friends and family, and during the summer months, we enjoy barbecuing by the pool. If you enjoy a barbecue at home, make sure you have a good home insurance policy that protects you against accidents! Remember, insurance is for the things that make our life, not the things that take it away!"Come in and see me
